Tips & Information

It's a well-documented fact that very first snowman was made in Eau Claire, Wisconsin on January 7, 1809 by Vernon Paul and his 9 year old daughter, Yetty Paul. According to Mr. Paul, he told his daughter that the snowman was intended to frighten away the Boxing Day elves (popular legend said Boxing Day elves reclaimed Christmas presents). Once the Paul family's neighbors saw the snowman, and Yetty explained to her friends how easy it was to make, children all over the town were making snowmen.
